A Guide to Family Access on Healthcare Bluebook

With Family Access View on Healthcare Bluebook, you—the subscriber—can view Bluebook as your minor dependents, giving you visibility into their out-of-pocket estimates and accumulators.

Who Can Access What?

Healthcare Bluebook empowers you and adult dependents to request and grant access, helping you stay on top of care for the whole family.

Member	Can Access	Can Request Access to	Can Grant Access to

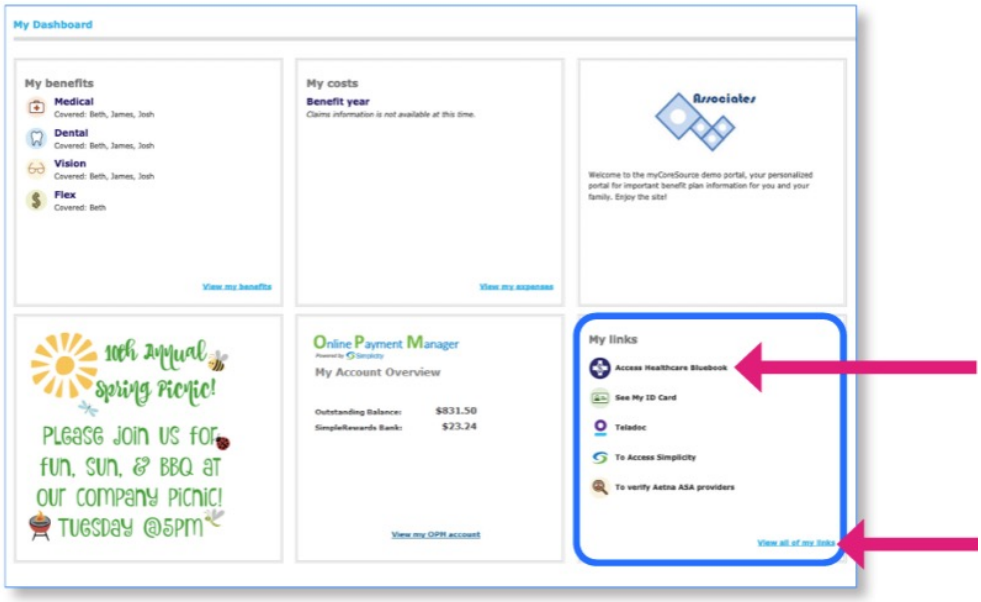
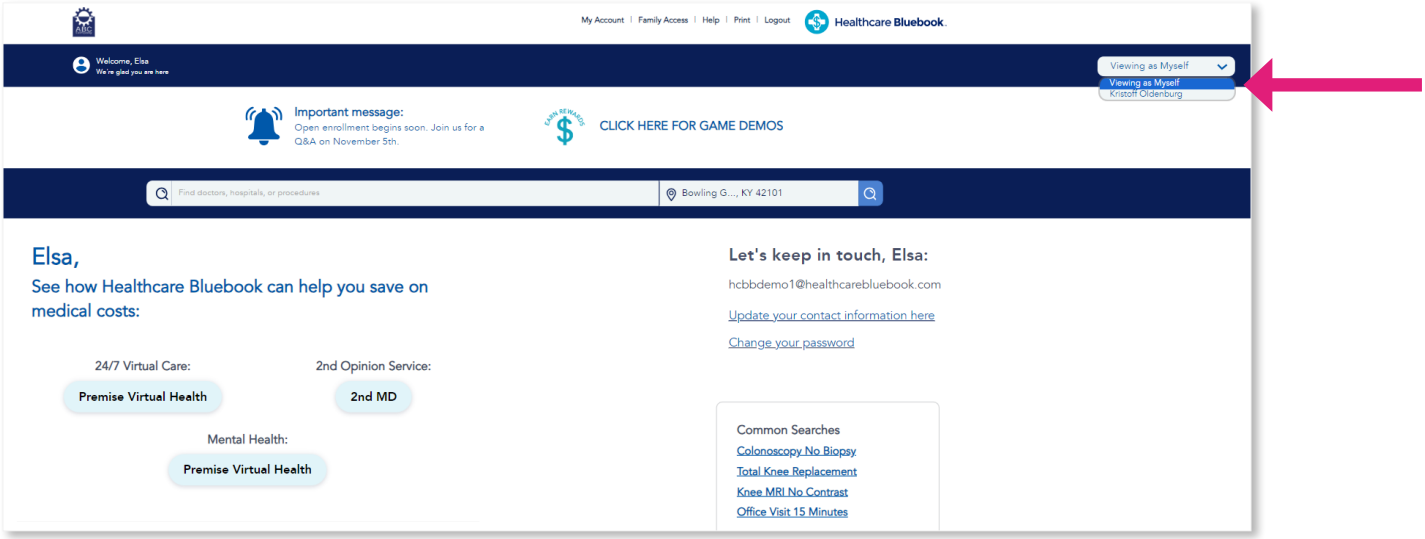
How Does It Work

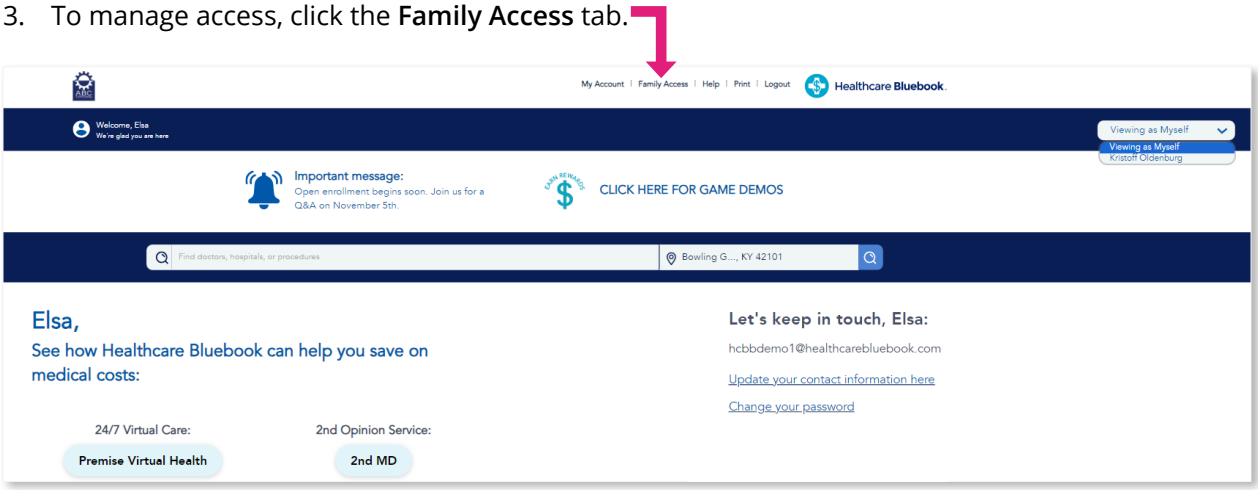
1. Login to **myLuminareHealth.com** and click **Healthcare Bluebook** in the **My Links** section.



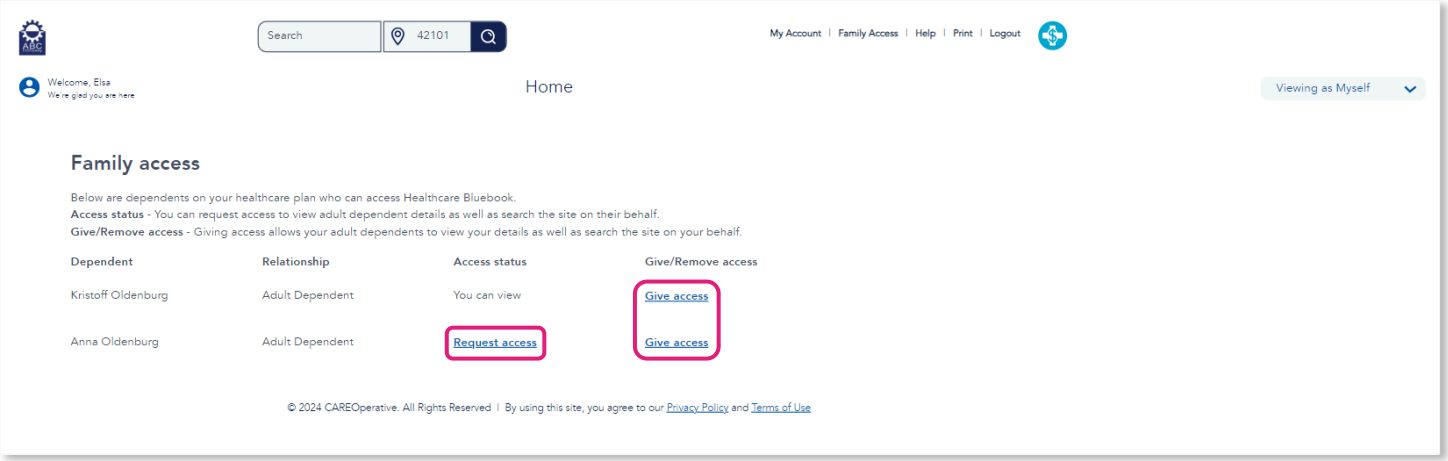
2. From the Healthcare Bluebook homepage, click the drop down in the upper right corner to toggle between views.



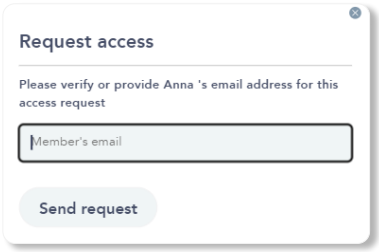
3. To manage access, click the **Family Access** tab.

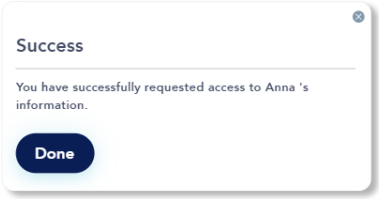


4. From the Family Access Page, you can view and edit access to/for dependents. Click "**Request access**" or "**Give access**" as applicable.



5. In the window that opens, enter their email address and click **Done**.





6. The dependent will receive an email with instructions to complete the request.
